Dedicated to

Mitchell S. Kuzdzal

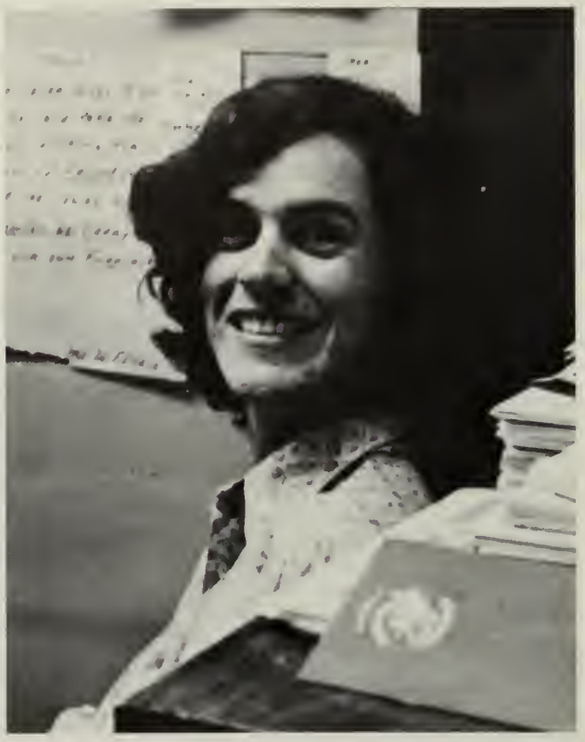
for his interest in and his concern for us all, his devotion to his job, and his friendliness that has shown him to be a person as well as an administrator.

MEMINI 1973

1973 another year goes by; the wheel turns and the seniors don their caps and gowns; the underclassmen pass through corridors long since void of alumni's footsteps; the faculty awaits the same new faces; and the wheel turns; another year goes by.

But 1973 will be remembered by all who spent their lives, laughed their smiles, and cried their tears, and left a part of themselves at Comp that year.

REMEMBERED FIRST

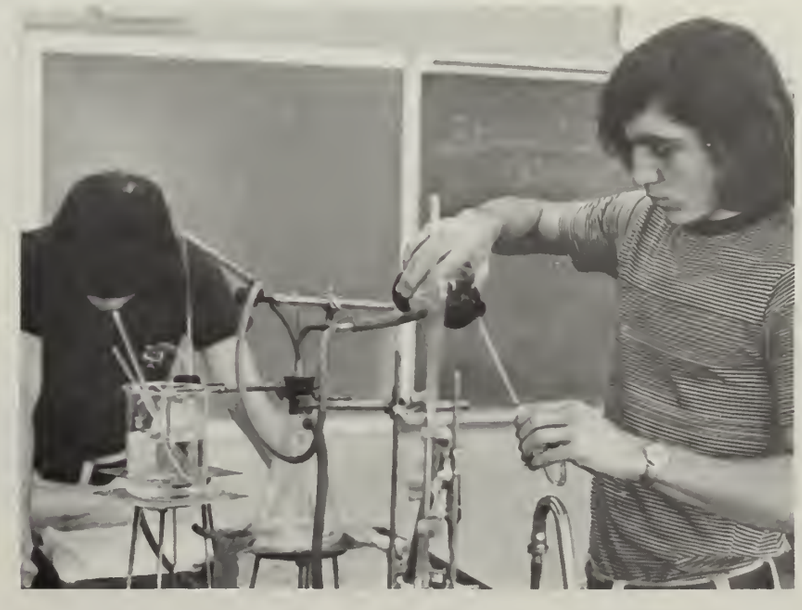


ARE FRIENDS

AND ALL THOSE FAMILIAR FACES

ALWAYS REMEMBERED

FOR ONE REASON OR ANOTHER



IS THE EVERYDAY GRIND OF CLASSES AND STUDIES

THE SPECIAL EVENTS OF THE YEAR

TO THE CLASS OF 1973:

It gives me great pleasure and pride to extend my best wishes to the graduating class of 1973.

Many changes have occurred in society, education, and the world since you first started kindergarten. Few would have imagined the extent of these changes. The world you are about to enter will offer many challenges.

Hopefully, the direction and pattern for contributing to society has been made a part of your total school environment. May you in adult life select those avenues which will benefit man and make him more understanding of what cliches like "brotherhood," "concern for others" and "life" are all about. Do not allow any one or any thing to tarnish your idealism. By doing this, you will create a better world for tomorrow.

Best wishes for success, health, and happiness in all your future endeavors.

Sincerely,
George E. Membrino, Ph.D.
Superintendent of Schools

WILL NEVER BE FORGOTTEN

Dr. Membrino left his position as Superintendent of Schools to become Administrator to the New Medical West, which made the class of '73 the last recipients of a graduation message from him. His retirement party, held in the home ec room at Comp, was the second of the year. The first was to celebrate Mr. Ziemba's birthday.

Mr. Morissette became the new Assistant Vice-Principal at the Annex when Mr. Jendrysik relinquished the post to return to a teaching position.

MEMORIES OF RALLIES, THE POWDER PUFF GAME, AND ALL THE SPECTACLE LEADING UP TO THE CHICOPEE GAME

At the exchange rally with Chicopee High the day before the Comp-Chicopee game Comp's cheerleaders "stomped the spider" in the vain hope that the football team might be able to do the same. That afternoon the senior Powder-Puffers blanked the juniors 12 to 0. The morning of the game, Linda Kalita led the motorcade to Szot Park on her Arabian, Alazizat Astran.

COLTS

AND THE SPAGHETTI DINNER AFTERWARDS

The Class of '73 carried on a tradition that almost died after its first year when it again sponsored the Annual Spaghetti Dinner after the Comp-Chicopee football game. The dinner proved its merit by bringing in a profit for the class even though Comp lost the game. Seniors Ernie McCool and John Beaudoin, and junior Dave McKissick were awarded trophies for their outstanding work in the game, and Coach Llodra's birthday was celebrated by presenting him with a cake. For many seniors it will be remembered as a time of class unity, and the enjoyment it brought to all who attended or participated will easily overshadow the long hours of hard work it required.

OF "THE MOUSETRAP"

"The Mousetrap" by Agatha Christie became the longest running senior class play in the history of Comp in December of 1972. Even though its four performances here can't compare with the more than ten years it has been on the stage in London it was the first senior play in four years to make a profit for the class. The play is a murder mystery with a psychotic killer as one of eight people snowbound in a secluded boarding house. One of the people is murdered, and no one knows who the murderer is. Miss Green, the director, partially double cast the play to give more people a chance to participate. The cast consisted of Helene Anninos, Ruth Chase, Kevin Delisle, Bonnie Duval, Kathy Martin, Allan Nubile, Carlos Rexach, Ted Tamburro, Stanley Thompson, and Bonnie Wilson, with Linda Hoff as assistant director and Howard Dombeck as stage manager.

CANNED FOODS

AND PARTIES

A CHRISTMAS CONCERT

AND A "NOEL ENCHANTEE"

The spirit of Christmas was high, for students and faculty collected enough canned foods and money on behalf of the Lodge of Elks to feed about 150 needy families in Chicopee, more than have ever before been helped. Santa Claus made his yearly rounds with his helpers to spread happiness and good will throughout the school. The band, chorus, and madrigal all worked together to help Santa bring across his message of peace and joy at the Christmas assembly.

Instead of the usual setting of the cafeteria for the Christmas Cotillion, the background was the Corinthian Room at the Schine Inn. Noel Enchantee was a product of the junior and senior classes, and it was a special cotillion for each. It was the first for the juniors to plan, and the last for the seniors.

Philip G. Airoldi

Neil R. Martell

As we look back over the past four years we can see how much you, as individuals, have matured. And, by this self-maturation process, you have enabled the class of 1973 to grow.

Recognizing the need to function as a group you started the policy of having the candy sale in the unifying sophomore year. We feel that this was an important element leading to a vigorous class spirit that has maintained itself throughout your years at Comprehensive, and will, hopefully, the rest of your lives.

For many of you, merely the mention of the spaghetti dinner will bring back thoughts of working together. Because of your creative spirit a new tradition has been established.

Now, as you prepare to leave your high school years behind, we would like to express our thanks to you for allowing us to share your ideas, your emotions, and your ideals. The proper thing now would be to say "Goodbye" or "Good Luck", but we will refrain because that is commonplace and does not express what we truly feel in our hearts.

I'm so grown up
No time now
I do too know words of school song
Think?
When I'm a sophomore
Memorizing locker combinations
Bus cards
Lunchtime — mid morning snack!

CHAAK-SHACK
When's recess?
Wish I was at Comp
Why do they laugh at frosh?

Cross Country Team Races to Victory in Third Consecutive Winning Season

1.

Under the able coaching of Alex Vyce, the Comprehensive Cross Country Team ran to its third consecutive winning season. The colt harriers have not had a losing season since they began racing. The 7 and 2 season record brings their overall record to 22 and 5.

The team surprised supporters with their success, amazing considering the fact that the team is young and inexperienced with only one senior, Tom Landry.

Nevertheless the Colts defeated all their Valley League opposition except for Holyoke and Holyoke Catholic, two powers of the region; they also placed fourth of 17 schools in the Western Mass. meet at Amherst, running without Rich Rudolph and captain Jim Ash, both injured.

Outstanding in the Amherst meet was Dan Dillon, whose second place finish, only four seconds off the winning pace, qualified him for the state meet in Boston, where he placed 18th out of 208 runners. Other runners who turned in fine performances during the season were Bob Celatka and Jim Houle, who at Amherst placed 27th and 31st, respectively, and Jim Dillon.

Booters Qualify for 6th Straight Tourney

1.

The Comp soccer squad was invited to its sixth straight Western Mass. Tournament (fifth straight under Coach Bill Davis) after another successful season, one that ended in a shocking 1 to 0 upset over its cross town undefeated rival, Chicopee. The one goal came on a shot by Rick Jasinski on a feed by Kevin Quirk. Never before had Chicopee been beaten by the Colts. The Comp booters, playing in a division with W. Mass exchamps Chicopee and Ludlow, ended the season with a 8-3-1 record and moved on to the tourney playoffs. In the first game against St. John's the Colts dominated play and won 4 to 1. In a tense quarterfinal battle, however, the Colts lost to their old nemisis Chicopee by a 1 to 0 score.

Named to the All W. Mass. Teams were high scorer Kevin Quirk and senior Mike Lafleur. Senior Joe Robitaille was voted Most Valuable Player. In goal during the season were Tom Kulig and Dan Franczek who registered three shutouts and only once allowed more than two goals.

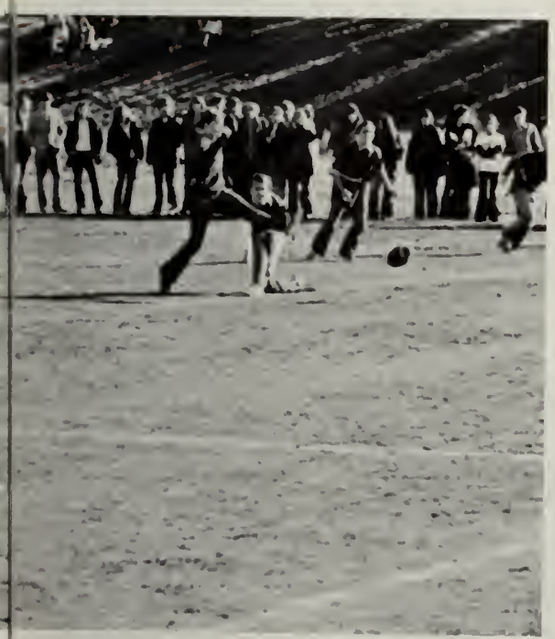
Seniors Win Puff Bowl: Cheerleaders Steal Show

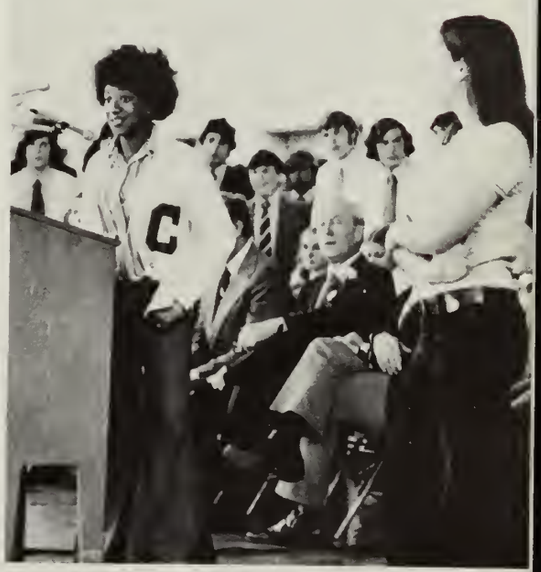
A powerful running game and a tough defense enabled the class of '73 to blank the class of '74 12 to 0 in the annual Powder Puff contest held before the Chicopee game.

The stars of the afternoon were Shelley Palmer and Cheryl Kliendienst, senior running backs; Pam Beck, senior quarterback; and Ester Daris, who intercepted a junior pass and ran it back for 70 yards.

The girls were not the only ones who held the attention of the crowd. The antics of the padded male cheerleaders and the "music" of the mock band kept everyone in stitches.

The senior girls were coached by Mr. Martell, Mr. Airoldi, and Mr. Stachura, and the Juniors by Mr. Goff.





Colts Struggle Through Tough Season

The Comp football team, suffering from injuries through most of the season, ended the season with a record of 4-5. The season was disappointing in two respects. It was Comp's first losing season under Coach Llodra, and the Colts lost the cross city contest with rival Chicopee.

Before the season started the team began to take injuries. Seniors Bob Moore and Steve Russell and starting quarterback John Bialas and the toll increased until at one point of the season over half the starting line-up was out.

The Colts began the season against perennial power Holyoke High, which was riding a 19 game unbeaten streak. The two teams battled to a scoreless tie until the Purple Knights scored with only two minutes left in the game. Comp rebounded the next Saturday to beat West Springfield, but then dropped the next three games. Halfway through the season the Colts began to move and won all their remaining games except for the 26 to 6 loss to Chicopee.

Among the players who were recognized for their work during the season were; Gary Masse, who took over the quarterbacking position for injured John Bialas; tackle Tom Barker; high scorer and MVP senior Dwayne Fuggs; most valuable senior in the Chicopee game, Ernie McCool; and John Beaudoin and Dave McKissick, voted most valuable offensive and defensive players at the Chicopee game.

Though weak in dual meets, the team proved more successful in the Western Mass and State meets, where it placed 7th and 13th, respectively. Scoring at the W. Mass meet were Therrien, 7th in 100 free, Tom Soar, 4th in 100 back, Dana Smith, 8th in 100 breast, Foster Harrison, 4th in diving, and the relay team of Soar, Smith, Fernandes, and Therrien, 7th. Comp's hockey team, coached by Mr. Pinciak and captained by Glenn Herdendorf, reached the Western Mass Playoffs before losing a close, tense game to Pittsfield High. The game had to be extended two periods before either team could break a 3 to 3 tie. Goalie Mark Gorman gave a spectacular performance in keeping the Colts in the game with 28 saves. Comp was just able to make the playoffs with a record of 6-8-4. One of the wins was a 4 to 3 victory over Easthampton, winner of their division and in the playoff finals. Deserving recognition for outstanding play throughout the season are: MVP Andy Hevey, and Asst. Co-captains Leon Lemay and Tom Fontaine.

Hoopsters Break Records But Miss Tourney

The Comp Basketball team set a school record for offensive scoring with an average of 71.1 points per game and was the only Valley League team to score over 1000 points in the 14 game league season, but the team still failed to make a playoff berth. The Colts had a tough season and bad luck as they dropped two close games to league champion Holyoke Catholic, and three other games by only one point. In the final game with Classical, the Colts shot over 60%. The team, coached by Alex Vyce and captained by Joe Robitaille, had the most successful season since 1969. Sophomore center 6'5 Pat Burtey set a school record in field goal percentage with 63% and he led the team in rebounding, scoring and scoring average. Rick Jasinski almost broke a school record when he ended with an 81% for foul shots. Joe Robitaille, Gary Masse, Mike Lafleur, Frank Robitaille, and Keith Lawrence all played exceptional ball during the season.

Memini means literally "I remember." We as editors have tried to include as many different sections and varied activities as possible. We cannot be certain that each page and each picture will create a vivid rememberance for every person; we can only hope that every person who turns the pages of Memini '73 will once again pass through the doors and down the corridors of Comp and relive, through their memories, the joys, and the sorrows, of a time gone past.

Memini Changes Style

This year's yearbook staff used a new style and layout for Memini '73.

The staff included more copy and captions than past years, and it used a Mondrian layout where equal space is kept between all pictures.

All young people need to develop salable skills and those understandings and attitudes that make the worker an intelligent and productive participant in our economic life. To this end, they need supervised work experiences as well as education in the skills and knowledge of their occupations.

Fifty-three percent of the total job opportunities exist in the distributive occupations. Our program is an introduction to the job opportunities in the fields of marketing, distribution and retailing. Students in the program take English, Economics, Sales and Merchandise. After period four they report to their work stations. The students are rated twice a month at their work stations by their employers and the teacher-coordinator.

All students enrolled in Distributive Education should realize that this choice of curriculum requires proper personal conduct, attention to personal appearance and hygiene. Major emphasis is placed on attendance and the ability of students to develop attitudes and work habits that will help them to take advantage of the many job opportunities available in the distribution field.

D.E. students have a varied classroom experience from books, to examples of store fixtures, and related field trips to various local business establishments. There are learning kits related to various businesses including film strips, 16 MM films and records.

D.E. students are also a social organization with local, state and national affiliations. Our efforts are geared to integrating these experiences into career directions so that the students, if able, will go on to school and become store managers.

Special thanks to:

Mrs. Shumway, Memini Advisor, who died a thousand times this year, and who wanted to kill us during deadline times.

Miss Borowiec, who gave us advice on our art designs.

Mr. Fleury, for his help in filling the many photo gaps we fell into.

Phil Lafleur, who bailed us out of deadline trouble with his own photos.

Mr. Ernest Laflamme, Jr., City Treasurer, who personally solicited advertising for us and enabled us to sell more ads than ever.

Mr. Ted Kord, of Precision Camera Repair, who lent his valuable equipment to us.

All members of the student body and faculty who have given us support throughout the year.
